Pre-acceptance letter for enrolment

Dear Student,

Congratulations! We are pleased to inform you that, after examining the qualifications and Documents submitted:

- **Bachelor's Degree Hope Certificate** / Provisional Diploma / School enrolment certificate issued by: **Ghazi University**
- Any further qualification issued by: **University Assessment Test**
- Curriculum vitae

You have been positively evaluated for pre-admission to the Single Cycle Degree Course In Agriculture (Entomology), taught in English, with a legal duration of 2 years. Classes will start in October 2022 for the academic year 2022/23. You are not required to produce Any English language proficiency certificate because passing the University Assessment test presupposes the achievement of the B2+ level of the Common European Framework Please note that this pre-acceptance letter **allows you to start the pre-enrolment and visa Issuance procedure at the relevant Italian Diplomatic-Consular Representation** but does not imply any claim or automatic acceptance for the purpose of issuing the study visa.

For any question, report or request for clarification, you can contact the Welcome Office
